Sir,

With reference to your letter No. G. 18037/Pol 102-20-2 dated the 24th March 1921, about shifting the District Police Office, Hassan to the Municipal Office and Vice Versa, I have the honor to state that the objection to the existing state of things does not appear to be one deserving serious consideration. The District Police Office here, has not been located near the District Lock-up here, with any special purpose. Buildings that were available have been made use of. There are some dangerous cracks in the walls of the two storeyed building occupied by the District Police Office; and the Police Superintendent would be very glad if he is given a better building. An exchange with the Municipal Office building was looked upon as only a make-shift arrangement as the tour notes will show and even to this, the Council would not agree. If there were any other course, it would have been thought of in preference to moving the Municipal Council. The only course now is to construct a new building for the District Police Office.

Your most obedient servant,

Inspector General of Police.
